

CHANGE OF ADDRESS

Please advise us of any change of address by completing your details below and sending the form, together with the passport, to enable us to update both our records and the passport.

If the passport is rivet bound and complies with current DEFRA legislation, the fee for updating and replacing the passport is £15.

If the passport is older and does not comply with current DEFRA legislation or is damaged, the fee for updating and replacing the passport is £45.

Both fees include return by second class mail. If you wish the passport to be returned by Royal Mail Special Delivery, then please add another £10.

Please be aware that it is an offence to deface a passport in any way. This means not writing anywhere in a passport with the exception of Section II, Part II (to sign a horse out of the food chain).
